- **TODAY'S THOUGHT:** "The law of God is simple, and easily understood. There are men who proudly boast that they believe only what they can understand, forgetting that there are mysteries in human life and in the manifestation of God's power in the works of nature—mysteries which the deepest philosophy, the most extensive research, is powerless to explain. But there is no mystery in the law of God. All can comprehend the great truths which it embodies." Ellen G. White, *Selected Messages*, Book 1, pgs. 217, 218.
