- **TODAY'S THOUGHT:** "The Lord would have His people sound in the faith—not ignorant of the great salvation so abundantly provided for them. They are not to look forward, thinking that at some future time a great work is to be done for them; for the work is now complete. The believer is not called upon to make his peace with God; he never has nor ever can do this. He is to accept Christ as his peace, for with Christ is God and peace." Ellen G. White, *Selected Messages*, bk. 1, p. 394,395.
