- 🕒 **THOUGHT FOR TODAY:** "Abraham's test was the most severe that could come to a human being. Had he failed under it he would never have been registered as the father of the faithful. Had he deviated from God's command, the world would have lost an example of unquestioning faith and obedience. The lesson was given to shine down through the ages that we may learn that there is nothing so precious to be given to God." YI June 6, 1901
